THE MISSING

Please Note: This is in no way a complete list of missing Indigenous People and does not include NCMEC cases. These are individuals that are missing that Lost and Missing in Indian Country is aware of. If there is someone you are aware of that is missing and he or she is not included, please contact Lost and Missing in Indian Country.

LOST AND MISSING IN INDIAN COUNTRY

This week is the anniversary of MISSING CHILDREN'S DAY - May 25th. Sadly, we don't seem to be getting any better at preventing, identifying and prosecution of people who abuse and murder children. And children still go missing every day, despite all we try to do to keep them safe. Please, be the eyes and ears - and if you KNOW something, say something!

Also on May 25th is the SIXTH anniversary of the start of this site. Although awareness is at an all time high, we STILL have children, women AND YES, men that keep going missing. As much as I wish I could work myself OUT of a job, it isn't going to happen anytime soon. Because it isn't the fact that Indigenous people GO MISSING - it's some of the reasons WHY they go missing that we need to work on. Drug and alcohol addiction, domestic violence - these issues go right along with the missing.

In recognition of Missing Children's Day, we highlight Arden Pepion missing April 22, 2021 from Browning, Montana.

What can YOU do to make your little part of the world a better place? That is the question that only YOU can answer...

HOW CAN YOU HELP?

You can help by familiarizing yourself with your families routines and habits. Take frequent pictures. Report suspicious activity to the proper authorities. Offer to help post flyers or join a search party. Do not hesitate or delay reporting a missing person. If there is a person missing in your area let us know.

Have Hope.

What should you do if you believe someone you know has gone missing?

If you believe someone you know has gone missing, file a police report with local law enforcement. Provide the police with a photo of the missing person, along with any identifiers, such as scars, marks, tattoos, jewelry or clothing he/she was last seen wearing. Remember to write down the case number and the name of the officer who took the report. Also, contact us to assist you with the case. It is **NEVER** too early.

Contact friends and acquaintances, check hospitals and coroners in the area. Check the local county jail, and social media sites. Also put up fliers with the missing persons photograph and description.

It is recommended you not list your phone number on public posters, as to ensure no hoaxes for reward money, or any other harrassment occurs. The phone number to the police department should be used.

Remember to ask people to spread the word, alert the local media, and consider hiring a private investigator.
